

ANDREW'S CHOPPER FLIGHT

Andrew with his wife Jodie and their 6 children

May 23, 2015 Andrew Grant suffered a life changing injury whilst playing Rugby League, the game he loves.

He was playing for Bribie Island against Beachmere at Kandanga when he fractured a C5 vertebrae. Andrew is currently paralysed from the neck down and is still in the PA hospital undergoing treatment.

This house will be auctioned and all proceeds will go to Andrew's continued treatment.
